THE SCHOOL FOR
EXCELLENCE

WE BELIEVE IN ONLY ONE STANDARD. EXCELLENCE.

VOTED NO.1 FOR EXCELLENCE AND QUALITY IN VCE PROGRAMS

Mastering the VCE

Our February lectures titled **"Mastering the VCE"** consist of a two hour intense study skills lecture as well as two specialised **"Master Classes"** (each 2 hours in duration) in select Unit 1 or 3 subjects.

Our **unique** and **powerful** study skills lecture is designed to motivate, empower and organise students and ensure they are provided with the necessary skills and information to maximise their VCE scores. During the course of this program, students will learn **vital skills** that will help **optimise performance** in assessments, as well as strategies that will **maximise learning** and **cut down on study time!**

Students will also gain **critical instruction** in:

- The most effective learning techniques
- Keeping learned materials in memory for longer periods of time
- Getting the most out of classes at school
- Organisation skills and time management
- Managing procrastination
- Self motivation strategies
- Stress management
- Planning effective daily study timetables
- Preparing for examinations
- Avoiding the detrimental mistakes made by past VCE students
- Preparing for the **"open book"** style of testing in the mathematics exams
- Preparation of the mathematics **"Reference Materials"**

as well as other **key strategies** used by past students to **excel** in the VCE! **Detailed** study skills **notes** will be issued to students.

Free Master Classes

Students are further invited to attend 2 two hour Master Classes in select Unit 1 or 3 subjects **FREE** of charge!

Our **Master Classes** form a component of a **highly specialised** weekly program (the Intense Workshop Program) which is designed to ensure that students reach their **full potential** (including the **elite A+ scores**). These classes incorporate the content and teaching philosophies of many of the **top schools** in Victoria, ensuring that students are prepared to a standard that is seldom achieved by only attending school.

Our February lecture series offers students the opportunity to sample these **powerful programs** and/or benefit from an **in depth** coverage of select topics that will form an **important** component of the **examinations**. These classes are **guaranteed** to motivate students and **improve VCE scores!** Detailed course notes will be provided to all students.

Dates and Times: Please refer to the timetable in the Application Form below.

Cost: Valued at **over \$200**, these powerful lectures are **FREE OF CHARGE** to students. We do, however, require that students participating in this program make a minimum \$5 donation to the **Fred Hollows Foundation** representatives that will be in attendance on the day. **All proceeds** will be donated to this foundation.

Note: As little as \$25 can restore sight and transform a blind individual's life in the poorest regions of the world. The Fred Hollows Foundation is an independent, non-profit, politically unaligned and secular organisation. See www.hollows.org.au for additional information.

Bookings are Essential - Don't Miss Out!

These students obtained perfect 50 Study Scores.

They all went to different schools.

They had one thing in common.
